

the point, God allowed Israel to be taken captive to Babylon because of their sin. The payment for Israel's sin according to Leviticus 26:18 is '7 times.' The phrase 'times' means years, so 7 times is 7 years. 1 year is 365 days, so 7 years are 2,555 days. But in reckoning the sin of his people God often used 'a day for a year' basis. (Ezekiel 4:6) So 2,555 days means 2,555 years. If these length of years are reckoned following 609/608 then the first year of the accounting will fall to 607 BCE while the completion to 1948 CE. (2,555-607=1948) Hence counting 70 will point to 2018 --The day for God to slaughter all wicked men and women upon the face of the earth

## HOW TO BE SAVED?

**1. BELIEVE IN CHRIST:** "These (The Gospel of Christ) have been written down that you may believe that Jesus is the Christ the Son of God, and that, because of believing, you may have life by means of his name." (John 20:31) "Indeed, we can be saved only by the power of the one named Jesus and not by any other person" church, congregation or denomination -Acts 4:12 GW

**2. BE HOLY:** "Do you not know that unrighteous person will not inherit God's kingdom? Do not be misled. Neither fornicators, nor idolaters, nor adulterers, nor men kept for unnatural purpose, nor men who lie with men, nor thieves, nor greedy persons, nor drunkards, nor revilers, nor extortioners will inherit God's kingdom." (1 Corinthians 6:9,10)

**3. BE LOVE:** What is Love? the Bible answered "**By this we know love, that he laid down his life for us, and we ought to lay down our lives for the brothers**" (1 John 3:16) The lives in which we are required to lay down so that Christ could see us truly loving each other is the money. working for money is also called "working to earn a living" implying money=living. That sort of living are now required by God to be put to stop because it doesn't only make man no dignity without money, it is also killing this planet for profit.

**On that day...Whosoever shall seek to save his life shall lose it; and whosoever shall lose his life shall preserve it. -Luke 17:31-33**

## Nebuchadnezzar and Israel

Nebuchadnezzar is the king of Babylon whom God has made ruler over Israel due to the waywardness on the part of the Jewish rulers. God drove him mad when he acted in accord with those Jewish kings abandoned by God. According to Daniel chapter 4 verse 24 to 25, Nebuchadnezzar's madness would last to 7 years, but that was a prophetic pattern for Israel who pictured Nebuchadnezzar.

In Israel, the lost of their God given head (rulership in the line of David) would last to 2,555 years. This figure is an amplified form of Nebuchadnezzar's 7years madness. 7 years multiply to 365 days are equal to 2,555 days which in reality is 2,555 years. This begun to count in 607 BCE following the dethronement of the last king in the line of David (Zedekiah), thus, if we count these figure starting 607, we will arrived to 1948. Starting that year, a 70 years countdown for Israel to submit to the head approved by God has begun...the head was Jesus Christ (the root and the branch of David [Revelation 22:16]) that every Jews should embrace as king and savior in order for them to be saved.
